WHOLESALE PLATFORM FOR AGENCIES

esimhub.link

Partner portal in English, Vietnamese and Arabic. Top up a prepaid wallet, buy eSIMs at partner prices, and deliver them under your own name.

Why travel agencies work with us

- ✓ **Extra margin on every booking.** Sell an eSIM with each flight, tour or visa package.
- ✓ **Delivered in seconds.** The QR code arrives by email, or you can send it on WhatsApp or Zalo.
- ✓ **White-label delivery.** Install emails to your customers carry no IntlRoam branding.
- ✓ **No stock to hold.** Buy only when you sell. There are no physical SIMs to ship or lose.
- ✓ **Easy payment.** Card, USDT (TRC20/BEP20), bank transfer, or VND bank transfer via PayOS.
- ✓ **REST API.** Connect eSIM sales to your booking system or website.
- ✓ **Top-ups.** Add data to a customer's existing eSIM without reinstalling it.
- ✓ **Real support.** WhatsApp and email support for you and your travellers.

Getting started takes four steps

1. **Register** free at esimhub.link
2. **Top up** your wallet by card, USDT or bank transfer
3. **Order** any plan in the portal or through the API
4. **Deliver** the QR code to your traveller, who installs it before the trip

Where we are strongest

Partner prices are in USD (eSIMHub Starter tier). Higher-volume partners move to Pro and Partner tiers with lower prices.

1 · Local networks in Japan & South Korea

These are native local eSIMs, not roaming. They give faster speeds, lower latency and full hotspot support.

$8.95
Japan · NTT DOCOMO
30 GB per day / 7 days (210 GB in total)

$13.56
Japan · KDDI au
Truly unlimited data / 7 days

$21.06
Korea · LG U+
Unlimited data / 7 days (4G or 5G)

2 · Plans with voice calls

For travellers who need a real number for taxis, hotels and deliveries.
